SKU 09	Type, size (mm), luster, shape, blemish grade, origin: TBD	Alloy, plating, clasp, detachable parts, dimensions: TBD	Prototype fee, MOQ, unit price at 50/100/300 pcs, lead time: TBD

Please supply for each SKU

- Actual photos, CAD/technical drawings, scale and wearing views; specify who owns image/design rights.
- Pearl type (freshwater/saltwater/cultured), dimensions, treatment and quality-grading method.
- Detailed metal composition, plating thickness and available test/certification records.
- Net weight, packaging options, inspection tolerance, sample/MOQ and volume price tiers.
- Prototype timeline, mass-production capacity, delivery terms, defect/return policy and warranty.

Supplier confirmation

The supplier confirms only the entries it has completed in writing. Marketing claims, material grades and availability remain unapproved until supported by samples and documentation.
